Dear Friends,

Saint Stephen was canonized in 1083 A.D. on the occasion of the opening of his tomb in Székesfehérvár. Saint Stephen's Day is also that of the traditional 'New Bread' day in Hungary.

This year, our **Saint Stephen's Day celebration** will take place on **Sunday, August 28th starting at 5.00 PM in the Cistercian Preparatory School's Cafeteria, after the 4.00 PM** Hungarian language Holly Mass held in the Abbey.

We ask you to bring your favorite food or drink. Also please bring enough to share with your fellow Hungarians who may be coming from far distances. The MMCC will provide water, soft drinks, coffee and all the paper and plastic ware. Everyone is cordially invited to attend.

Thanks in advance, the MMCC Leadership, August 2016.

We are happy to announce, that our friend and founding member of the MMCC, **Véssey Ede** will be presenting his newly published volume of poems. His brief biography and book information can be found on our website: www.magyarso.net
